As the snow flies.....

Is the opening lyrics to a popular Elvis tune and of course a reminder that we call Wisconsin home, so it becomes the inevitable! As we prepare for what this author hopes, is a much less harsh winter, I am reminded that a lighter foot on the gas, a mindful eye on our neighbors, and a tuned up snow blower or shovel are necessary items for making the best of this upcoming season. Hopefully as you read this, the crew is still tending to leaves, which means the snow has not hit yet. I would like to thank our dedicated street maintenance team in advance for what I am sure will be another year of excellent care and skill in keeping our roads passable and safe.

As winter approaches, we also share the annual tax bill. Please be aware that the department leaders, our committed administrator, and staff members have looked long and hard at maintaining quality services at reasonable prices and the budget has led to a miniscule increase for municipal services, with continued prioritizing on streets, sewers, safety and self. Creative and innovative ways to operate and simply taking on more has led to what I believe to be an extremely fair and monetarily responsible budget. Please contact me or any elected official if you have questions regarding the budget and what we are getting for our money. (I will expand on this in the spring newsletter as well).

Have you noticed the vibrant new sign and message center along Kimberly Avenue? This has been long overdue and was done with our street and park crew, building maintenance team, TLC Sign, SethLED, A Plus Masonry Inc., Behling Electric, The Sign Guyz and Van Hout Ornamental; local firms eager to work with us! We are excited with this technology to keep you informed in a timely and entertaining way. Plus the project came in significantly under budget! Thanks to all involved in making this addition to the village a success.

Speaking of additions to the Village....Our long awaited development agreement has been approved and with it, we can now speak confidently when we say we WILL see change for the better happening at the Cedars of Kimberly site in the spring of 2015! We have learned many things along the way, have made many contacts and look forward, with great anticipation, for the beginning of the rebirth of the north side of our great community.

Please have a terrific Thanksgiving and Christmas season; get out and about, enjoy all that Kimberly has to offer over the winter with the lighting of the Arboretum, a holiday concert, lots of high school sporting activities, a KRA Fishing Jamboree and social, a stroll through Sunset Park, and a visit with friends and neighbors. Speaking of neighbors, I promised more info on our friends at U.S. Venture, a great company who calls Kimberly their home---They deserve more space than I am allowed in this issue, so more next time!

As the snow flies, the heartiness shines through and demonstrates once again just why Kimberly remains a great place to live, learn, work and play.

May God feel blessed by His view of our sense of community!

STREET DEPARTMENT

WINTER DRIVING REMINDERS

WINTER DRIVING

- Remember to slow down and drive with extra caution during the winter season. Allow more time for your trips to school, work, and shopping.
- The Village will maintain the street pavement as best they can, this does not mean the pavement will be completely free of snow and ice.
- There will always be situations where snow and/or ice build-up will occur on our streets especially early in the morning or later in the evening when the sun sets, causing pavement temperatures to drop below freezing.
- Allow extra room when following other vehicles, approach intersections with extra caution and assume your vehicle will not stop as it does on dry pavement.
- Remain at least 200 ft behind snow plows and spreaders.

SNOW REMOVAL

- Village ordinance 430-10 states that it is unlawful to shovel, blow, or plow snow unto or across Village streets, sidewalks or alleys. Citations will be issued to habitual offenders.
- Salt barrels placed at specific intersections are to be used for emergency use only. These salt barrels are not provided for the use of residents for their own application. Salt for sidewalks and driveways should be purchased at local retail outlets.
- Corner lot owners are asked to keep a path open to the crosswalks, the Village crew will clear the remainder of snow as time permits.
- Anyone with a fire hydrant near his or her property is asked to help keep the snow cleared from around it. This will allow for quicker response time if ever the fire department needs to access the hydrant.
- Snow must be cleared from the sidewalks within 24 hours after each snowfall. If ice builds up, it must be removed or treated with a melting agent. It is Village policy to address unshoveled sidewalks only when a complaint has been filed. Village officials do not go out looking for sidewalks that need shoveling. No written or verbal notice will be given to violators per ordinance 430-10.

2015 PROPOSED PROJECTS

SANITARY SEWER REHABILITATION

Replace Sanitary Sewer Main and Private Laterals
Anne Street from Kimberly Avenue to the Railroad Tracks
W. Fourth Street from Anne Street to Helen Street

Replace private laterals from previous relay projects that were only stubbed to the R/W to include:
East Side of S. John Street from Kimberly Avenue to 2nd Street
West Side of S. Sidney Street from Kimberly Avenue to 2nd Street

STREET PROJECT

S. Elm Street from 1st Street to railroad tracks (to include mini storm sewer on east side of street)
Amsterdam Court (to include mini storm sewer on properties located on the north side of street)

WARNING NOTICE

Per Village ordinance 430-10, it is unlawful to deposit snow or ice (from shoveling, snow blowing, or plowing) onto Village streets, alleys or sidewalks. Depositing snow onto Village right of way not only causes added expense for snow removal it also creates hazardous conditions while driving on our street or walking on our sidewalks.

The mission of the Kimberly-Little Chute Public Library is to enlighten and enrich people's lives through service that exceeds expectations and by providing responsive and dynamic collections, programs, and services that meet the changing needs of our community. Or, in a nutshell, inspiring and supporting lifelong learning and the love of reading.

Each year at budget time, the Library Board of Trustees has to make some tough decisions when balancing how this mission will be supported, and this year was no exception. The budget is tight, and when examining services, staffing, and collections, they had to decide how to use the limited resources at hand to provide the best service possible.

Due to long-term challenges with staffing two locations with current staffing and the desire not to cut funding for materials, the Library Board has had to make a difficult decision regarding the library's open hours for 2015. Hours will be cut beginning January 5, 2015 (see below) in order to better accommodate current staffing levels and enable funding for other services, such as materials & programming, to remain stable.

The good news is that the James J. Siebers Memorial Library is just one part of a larger whole – the Kimberly-Little Chute Public Library. So, while the Board proposes to close two evenings a week in Kimberly, we have the advantage of our partner library, the Gerard H. Van Hoof Library in Little Chute, being open when Kimberly is not (and vice versa). A short drive over the bridge will provide you access to library collections, WiFi, Internet computers, and library services. Library staff is happy to serve you on both sides of the river!

We do a wide-variety of things to attend to the library's mission, including: programming for all ages; early literacy initiatives; Internet computers & laptops; free WiFi; book clubs; collections covering a variety of interests in formats which include print, audio, video, and digital; focus on customer service; continuing education; reference service; a clean & welcoming environment with space to learn & grow.

Changing the library's open hours will allow us to continue to provide these services and to provide them in a manner that exceeds expectations. We realize the new hours may not fit the bill for everyone, but we have done our best to come up with a solution that addresses our busiest times of day based on current usage patterns and circulation statistics. We hope you will take advantage of the Joint Library and consider using both the Kimberly and Little Chute locations, as many patrons already do.

If you have concerns or comments you would like to share regarding the library's new open hours, please write to Library Board President, Jim Moes at Jim@littlechutewi.org or send your written comments to Kimberly-Little Chute Public Library, 515 W Kimberly Avenue, Kimberly, WI 54136, Attention: Jim Moes.

STREET DEPARTMENT

GARBAGE & RECYCLING REMINDERS FOR WINTER AND THE UPCOMING HOLIDAYS

- Polycarts CANNOT be placed in the road or on top of snow piles. The polycart MUST be placed at ground level either on the terrace or in the drive way. Polycarts which are placed in the road for pick up, during winter months, are subject to be plowed over and damaged. Replacement of damaged carts are the responsibility of the property owner at the cost of \$67.50.
- The Village DOES NOT pick up overflow garbage. Excess garbage generated due to the holidays must be disposed of by the renter or property owner. This can be done by spreading your overflow garbage over a couple of week's collection, asking a neighbor if they have room in their polycart, or by hauling the overflow garbage to the landfill.
- Wrapping paper is NOT recyclable. This must be placed in your regular garbage collection.

The Village Board and Staff of the Village of Kimberly would like to wish everyone a joyous Holiday Season.

FIRE HAZARD - DEHUMIDIFIER RECALLS

Area fire departments are still responding to calls related to faulty dehumidifiers. Please go to the following web site <http://www.cpsc.gov/en/Recalls/2014/Gree-Reannounces-Dehumidifier-Recall/> to see if your dehumidifier is on the list for recall.

PORTABLE HEATER SAFETY TIPS

- Put at least three feet of empty space between the heater and everything else.
- Vacuum and clean the dust and lint from all heaters.
- If the cord gets hot, frayed or cracked, have the heater serviced.
- Never use extension cords with portable electric heaters.
- Turn off portable heaters when leaving or sleeping.
- An adult should always be present when anyone is using a space heater around children.
- Make sure your portable electric heater is UL approved and has a tip-over shut off function.

Village of Kimberly Collection Policies

BRUSH EVERY THURSDAY – Brush is generally picked up every Thursday between April and November, weather and time permitting. All brush must be 18” or longer, piled neatly on the terrace and all in one direction, no root balls. Residents needing a brush pick-up must call the Street Department at 788-7507 by 4:00 PM Wednesday, for pick-up on Thursday.

METAL ITEMS EVERY FRIDAY – An appliance pick up sticker is required. They can be purchased at the Street Department or Clerk’s office and applied to the item for pick up. Per Village ordinance, appliances set out for disposal without a sticker are in violation of municipal ordinance and are subject to a fine.

Appliances that have refrigeration coils (Freon) in them such as: refrigerators, freezers, air conditioners and dehumidifiers - cost is \$15.00. All other appliances and metal items such as: washers/dryers, stoves, water heaters, microwaves, and miscellaneous metal items - cost is \$10.00.

LARGE BULKY NON METAL COLLECTION – Large item collection occurs on the resident’s last garbage day of the month. If you are a Tuesday pick up your Large item collection is the last Tuesday of the month, likewise for Friday pick up. Large items consist of those (non-metal) items that are too large to fit in the poly-cart such as: furniture, mattresses, carpet rolled and tied in 4’ lengths and not exceeding 50lbs. Large items cannot be placed on the terrace prior to 24 hours of pick up. This is against Village Ordinance and is subject to a citation, see ordinance listed below. The Village of Kimberly **does not** pick up building materials and/or landscape materials, including wooden fence, railroad ties, wood chips, concrete, dirt, windows, siding, roofing and/or dry wall.

YARD WASTE – Consists of lawn rakings, shrub trimmings (not to exceed 18”), weeds, lawn edgings and garden debris. Yard waste will be picked up the third Friday of every month, from May thru September. This material must be placed in a **BROWN BIODEGRADABLE PAPER BAG** and a special sticker must be attached to each bag. Stickers are available for \$1.00 at the Street Department office and the Clerk’s office. Residents needing a yard waste pick-up must call the Street Department at 788-7507 and be placed on a list. All yard waste must be set out on the terrace by 6:00 AM.

During a two week period in the Spring (April) and a one week period in the fall (October), the Village will provide for the pick-up of all yard waste at no cost. This will occur on your normal garbage day. See calendar on the reverse side.

GRASS CLIPPINGS WILL NOT BE COLLECTED AT ANY TIME

LEAVES – Leaves will be collected according to existing policy during the seasonal time frame. Generally that starts around October 1st and continues until the third week in November, weather permitting. All leaves must be free of plastic, paper, cardboard, gravel, brush, and dirt. All leaves must be raked onto the terrace for collection. **DO NOT rake leaves into the street.**

TIRES – A free tire pick up will occur in April and September. Tires will be picked up the same day as your regular garbage collection. At no other time will tires be collected. There is a limit of 4 tires per household, rims are acceptable, but tires cannot be larger than 16” passenger vehicle tires.

WASTE OIL & OIL FILTER – Drop off site is located in the parking lot east of the Street Department. To access site use the driveway on N. James Street.

TELEVISIONS & ELECTRONICS – Wisconsin’s New E-waste Law effective 9/1/2010 prohibits the disposal of various devices such as: televisions, computer monitors (both CRT and flat screens), desktop and laptop computers, printers, fax machines, speakers, VCRs, DVD players and digital video recorders, cell phones and phones with video displays. **The Village will not pick up these items.** Disposal information can be found by visiting the Outagamie County website www.RecycleMoreOutagamie.org

Recycling

Place all recycling in the green recycling cart provided. There is no need to separate paper from the glass, aluminum, plastic or tin. Follow the same poly-cart placement information as listed in the Automated Garbage General Rules. For more information about recycling and other County programs, please visit their website at www.RecycleMoreOutagamie.org.

RECYCLE MORE...LANDFILL LESS

Automated Garbage General Rules

Weekly collection days in the Village of Kimberly are on Tuesdays, from residents who live north of the railroad tracks and on Fridays from residents who live south of the railroad tracks.

**By Ordinance, (Automated Garbage Collection, Village Ordinance 418-6), any items set out for collection must be placed curbside by 6:00 AM on the day of collection or the night before, but not before 5:00 PM. This includes; poly-carts, metal items, and large item collection. Items CAN NOT be set out days or weeks in advance of the regularly scheduled collection date. A citation will be issued. These ordinances are established to keep the community clean, safe, and healthy. All poly-carts must be removed 24 hours after collection. Non compliance of the Village Ordinance 418-6 can result in a fine of \$75.25 for the first offense.*

We recommend that you set your poly-cart on a **flat surface**; it must be at ground level, near the edge of the curb or at the end of your driveway apron. Make sure the arrows on the polycart lid are facing the road. Containers **MUST** be placed 4 feet from any other object. This includes: recycling, large item pickup, mailboxes, trees, snow piles, parked cars and other poly-carts. If the driver cannot reach the poly-cart, the container cannot be emptied. If the container cannot be emptied on your scheduled collection day, it **WILL NOT** be emptied that week.

All solid garbage must fit into the poly-cart **without packing it too tightly. Poly-cart covers are required to be partially closed or completely closed.** This will help facilitate dumping as well as keep the debris inside the container until dumped. Any poly-cart which has the cover completely open will not get emptied that week.

The Village of Kimberly does not provide overflow garbage collection. The automated system which uses a poly-cart is designed to collect the average refuse from a residential unit. Residential units having weekly overflow or overflow from garage sales, large gatherings, house cleaning, moving in or out, etc. which is more than the average norm are responsible for disposing of their overflow. This can be done by spreading your overflow garbage over a couple of weeks’ collection, asking a neighbor if they have room in their poly-cart, or by hauling the overflow garbage to the landfill. Property owners of rental properties will ultimately be held responsible. It is the responsibility of the landlords to keep their tenants aware of the Village ordinances and requirements.

Other Information

SUMP PUMP DISCHARGE – Any sump pump discharge, which is not hooked into a mini storm and discharges on your lawn, **MUST** discharge six feet from your property line.

WINTER PARKING – There will be no overnight parking in the street from December 1st through April 1st from 2:00 AM - 6:00 AM.
