

Minutes  
Kimberly Planning Commission  
July 19, 2016

Chairman Kuen called the meeting to order at 6:30 p.m. Commissioners present were Dave Opsteen, Norb Karner, Dean Schiesl, Todd Schneider, Paul Hermes, and Duane Biese. Also present was Joe Harvey with the Kimberly School District, Jim Lundberg and Scott Groholski representing P.O.B. Engineering.

Karner/Hermes to approve the amended minutes from the June 21, 2016 meeting. Carried. Unanimous.

The Commission reviewed the plans for a new Kimberly School District Athletic Facility to be constructed on the campus of Kimberly High School located at 1662 East Kennedy Avenue. Several questions were asked regarding the setback of the building and if they were compliant with Village of Kimberly and the Village of Combined Locks standards. They assured the Commission that the setbacks were compliant.

A question regarding stormwater plans was asked by Mr. Opsteen; the Commission was assured that stormwater plans have been sent to McMahan for review and approval.

A few other questions were asked regarding the façade of the building and the expected start and finish dates. Tentative start date is August of 2016 with a finish date around September of 2017.

There was little other conversation; with that Opsteen made a motion to approve the Site and Building Plans for the Kimberly Area School District Athletic Facility. Karner seconded his motion which carried unanimously.

There was no comment on Old or New Business.

Biese/Hermes to adjourn. The vote was unanimous.
