Village of Kimberly Collection Policies

BRUSH EVERY THURSDAY – Brush is generally picked up every Thursday between April and November, weather and time permitting. All brush must be 18” or longer, piled neatly on the terrace and all in one direction, no root balls. Residents needing a brush pick-up must call the Street Department at 788-7507 by 4:00 PM Wednesday, for pick-up on Thursday.

METAL ITEMS EVERY FRIDAY – An appliance pick up sticker is required. They can be purchased at the Street Department or Clerk’s office and applied to the item for pick up. Per Village ordinance, appliances set out for disposal without a sticker are in violation of municipal ordinance and are subject to a fine.

Appliances that have refrigeration coils (Freon) in them such as: refrigerators, freezers, air conditioners and dehumidifiers - cost is \$15.00.
All other appliances and metal items such as: washers/dryers, stoves, water heaters, microwaves, and miscellaneous metal items - cost is \$10.00.

LARGE BULKY NON METAL COLLECTION – Large item collection occurs on the resident’s last garbage day of the month. If you are a Tuesday pick up your Large item collection is the last Tuesday of the month, likewise for Friday pick up. Large items consist of those (non-metal) items that are too large to fit in the poly-cart such as: furniture, mattresses, carpet rolled and tied in 4’ lengths and not exceeding 50lbs. Large items cannot be placed on the terrace prior to 24 hours of pick up. This is against Village Ordinance and is subject to a citation, see ordinance listed below. The Village of Kimberly does not pick up building materials and/or landscape materials, including wooden fence, railroad ties, wood chips, concrete, dirt, windows, siding, roofing and/or dry wall.

YARD WASTE – Consists of lawn rakings, shrub trimmings (not to exceed 18”), weeds, lawn edgings and garden debris. Yard waste will be picked up the third Friday of every month, from May thru September. This material must be placed in a brown biodegradable paper bag and a special sticker must be attached to each bag. Stickers are available for \$1.00 at the Street Department office and the Clerk’s office. Residents needing a yard waste pick-up must call the Street Department at 788-7507 and be placed on a list. All yard waste must be set out on the terrace by 6:00 AM.

During a two week period in the Spring (April) and a one week period in the fall (October), the Village will provide for the pick-up of all yard waste at no cost. This will occur on your normal garbage day. See calendar on the reverse side.

GRASS CLIPPINGS WILL NOT BE COLLECTED AT ANY TIME

LEAVES – Leaves will be collected according to existing policy during the seasonal time frame. Generally that starts around October 1st and continues until the third week in November, weather permitting. All leaves must be free of plastic, paper, cardboard, gravel, brush, and dirt. All leaves must be raked onto the terrace for collection. DO NOT rake leaves into the street.

TIRES – A free tire pick up will occur in April and September. At no other time will tires be collected. There is a limit of 4 tires per household, rims are acceptable, but tires cannot be larger than 16” passenger vehicle tires.

WASTE OIL & OIL FILTER - Drop off site is located in the parking lot east of the Street Department. To access site use the driveway on N. James Street.

TELEVISIONS & ELECTRONICS – Wisconsin’s New E-waste Law effective 9/1/2010 prohibits the disposal of various devices such as: televisions, computer monitors (both CRT and flat screens), desktop and laptop computers, printers, fax machines, speakers, VCRs, DVD players and digital video recorders, cell phones and phones with video displays. The Village will not pick up these items. Disposal information can be found by visiting the Outagamie County website www.RecycleMoreOutagamie.org

Recycling

Place all recycling in the green recycling cart provided. There is no need to separate paper from the glass, aluminum, plastic or tin. Follow the same poly-cart placement information as listed in the Automated Garbage General Rules. For more information about recycling and other County programs, please visit their website at www.RecycleMoreOutagamie.org.

RECYCLE MORE...LANDFILL LESS

Automated Garbage General Rules

Weekly collection days in the Village of Kimberly are on Tuesdays, from residents who live north of the railroad tracks and on Fridays from residents who live south of the railroad tracks.

***By Ordinance, (Automated Garbage Collection, Village Ordinance 418-6), any items set out for collection must be placed curbside by 6:00 AM on the day of collection or the night before, but not before 5:00 PM. This includes; poly-carts, metal items, and large item collection. Items CAN NOT be set out days or weeks in advance of the regularly scheduled collection date. A citation will be issued. These ordinances are established to keep the community clean, safe, and healthy. All poly-carts must be removed 24 hours after collection. Non compliance of the Village Ordinance 418-6 can result in a fine of \$75.25 for the first offense.**

We recommend that you set your poly-cart on a flat surface; it must be at ground level, near the edge of the curb or at the end of your driveway apron. Make sure the arrows on the polycart lid are facing the road. Containers **MUST** be placed 4 feet from any other object. This includes: recycling, large item pickup, mailboxes, trees, snow piles, parked cars and other poly-carts. If the driver cannot reach the poly-cart, the container cannot be emptied. If the container cannot be emptied on your scheduled collection day, it **WILL NOT** be emptied that week.

All solid garbage must fit into the poly-cart without packing it too tightly. Poly-cart covers are required to be partially closed or completely closed. This will help facilitate dumping as well as keep the debris inside the container until dumped. Any poly-cart which has the cover completely open will not get emptied that week.

The Village of Kimberly does not provide overflow garbage collection. The automated system which uses a poly-cart is designed to collect the average refuse from a residential unit. Residential units having weekly overflow or overflow from garage sales, large gatherings, house cleaning, moving in or out, etc. which is more than the average norm are responsible for disposing of their overflow. This can be done by spreading your overflow garbage over a couple of weeks’ collection, asking a neighbor if they have room in their poly-cart, or by hauling the overflow garbage to the landfill. Property owners of rental properties will ultimately be held responsible. It is the responsibility of the landlords to keep their tenants aware of the Village ordinances and requirements.

Other Information

SUMP PUMP DISCHARGE – Any sump pump discharge, which is not hooked into a mini storm and discharges on your lawn, **MUST** discharge six feet from your property line.

WINTER PARKING – There will be no overnight parking in the street from December 1st through April 1st from 2:00 AM - 6:00 AM.
