### WHAT:

The Hitting Leagues are designed to help players become better offensive players. Hitters will sign up for Session I, Session II, or both sessions. Each session is three weeks long (8 meetings) and is broken into grade levels as shown above. Be sure to indicate the grade you will be entering this fall on the registration form. Hitting leagues will meet on Monday, Wednesday, and Friday of each week unless otherwise noted. Please try to let Coach McGinnis know ahead of time the dates you will be missing.

- \* Leagues consist of three weeks (8 meetings) of hitting drills, fundamentals, games, and challenges. Each player will get a minimum of 150 swings per session, which over the course of 8 meetings means that each hitter will take over 1200 swings.
- \* Each hitter will learn drills, fundamentals, and keys to becoming a better offensive player that can be utilized beyond the hitting league. They can use these drills before a game or practice, at home with parents/friends, or by themselves. The leagues are tailored to create smarter, better, more efficient baseball players that love to compete.
- \* All hitters will be videotaped.
- \* Players will also work on several defensive skills throughout the leagues.

### WHERE:

The hitting leagues will be held on the baseball field at Kimberly High School (behind the high school). We will meet every scheduled day, even if it is raining. In those cases, we will either watch videotape or have discussions on hitting technique and drills. It is okay for a hitter to miss a day of the hitting leagues. Try to let Coach McGinnis know ahead of time the dates to be missed.

### COST:

\$10/session pays covers cost of t-shirt and supplies. Campers that attend both sessions will receive one t-shirt with additional money going toward additional supplies.  
Hats can be purchased at the hitting leagues for \$15.
