

# Village of Kimberly • 2008 Garbage and Recycling Calendar

Garbage collection is on Tuesdays for residents who live north of the railroad tracks and on Fridays for residents who live south of the railroad tracks. Watch the Kim-Talk for holiday schedule, your day of collection may change.

Recycling is picked up from Monday thru Thursday in the Village of Kimberly.  
If you don't know your day of pickup, please call the Street Department at 788-7507.

For automated garbage general rules, see back of calendar. Any questions regarding garbage collection, call the Street Department at 788-7507; for recycling questions, call Wittenberg Disposal at 1-888-804-8556.

-  Recycling Weeks

## Village of Kimberly Collection Policies

*Your cooperation in this matter is greatly appreciated. In doing so, you are contributing to the beautification of your community.*

**BRUSH EVERY THURSDAY:** Brush is generally picked up every Thursday between April and November, weather and time permitting. All brush must be 12" or longer, piled neatly in the terrace and all in one direction, no rootballs. Residents needing a brush pick up must call the Street Department at 788-7507 by 4:00 p.m. Wednesday for pick up on Thursday.

*Collection policies continued on the back side.*

For Village information visit us at: [www.vokimberly.org](http://www.vokimberly.org)

# Village of Kimberly Collection Policies *continued from front*

**METAL ITEMS EVERY FRIDAY:** An appliance pick up sticker needs to be purchased at the Street Department or Clerk's office and applied to the item for pick up. Per Village ordinance, appliances set out for disposal without a sticker are in violation of municipal ordinance and are subject to a fine.

Appliances that have refrigeration coils (Freon) in them such as: refrigerators, freezers, air conditioners and dehumidifiers cost \$15 for pick up. All other appliances and metal items such as: washers/dryers, stoves, water heaters, microwaves, bikes, gas grills (excluding tank), clothes line poles and miscellaneous metal cost \$10 for pick up.

**YARD WASTE:** Consists of lawn rakings, shrub trimmings (not to exceed 12"), weeds, lawn edgings and garden debris. Yard waste will be picked-up the third Friday of every month, from May thru September. This material must be placed in a plastic bag and a special sticker attached to each bag. Stickers are available for \$1.00 at the Street Department and the Clerk's office. All yard waste must be set out on the terrace by 7:00 a.m.

During a two-week period in the Spring and a one-week period in the Fall, which will be established by the Street Commissioner, the Village will provide for the pick up of all yard waste at no cost. The Village will no longer canvas the entire Village on a daily basis. Instead, your yard waste will **ONLY** be picked up on your garbage collection day.

**GRASS CLIPPINGS WILL NOT BE COLLECTED AT ANYTIME.**

**LEAVES:** Leaves will be collected according to existing policy by raking them onto the terrace during the seasonal time frame established by the Street Commissioner. Generally starting around October 1, and continues until the third week in November, weather permitting. All leaves must be free of plastic, paper, cardboard, gravel, brush and dirt. Because of the new storm water rules and regulations, leaves no longer can be raked into the street. All leaves **MUST** remain on the terrace.

**TIRES:** Outagamie County has authorized free tire pick up that will occur in April and September. Tires will be picked up the same day as your regular garbage collection. The Village will not pick up tires at any other time. There is a limit of four (4) tires per household, rims are acceptable, but tires cannot be larger than 16" passenger vehicle tires.

**THE VILLAGE OF KIMBERLY NO LONGER COLLECTS ITEMS IN THE ALLEY. ALL ITEMS SET OUT FOR COLLECTION MUST BE ON THE TERRACE.**

## Automated Garbage General Rules

Weekly collection days in the Village of Kimberly are on Tuesdays from residents who live north of the railroad tracks and on Fridays from residents who live south of the railroad tracks.

By ordinance, (Automated Garbage Collection, Village Ordinance 8-3-6(b)), any items set out for collection must be placed curb-side by **6:00 a.m.** on the day of collection or the night before, but not before 5:00 p.m. This includes: polycarts, metal items, and large item collection. Items **cannot** be set out days or weeks in advance of the regularly scheduled collection date. A citation will be issued. These ordinances are established to keep the community clean, safe and healthy. All polycarts must be removed 24 hours after collection.

Polycarts **MUST** be placed on a **flat surface** (even during the winter months) and near the edge of the curb or at the end of your driveway apron. Make sure the arrows on the polycart lid are facing the road. Containers **MUST** be placed 4 feet from any other object. This includes: recycling, large item pick up, mailboxes, trees, snow piles, parked cars and other polycarts. If the driver cannot reach the polycart, the container cannot be emptied and will not be emptied that week.

All garbage must fit in the polycart without **packing it too tightly**. Polycart covers **need to be partially closed or closed all the way**. This will help facilitate dumping as well as keep the debris inside the container while dumping. Any polycart which has the cover completely open will not get emptied that week.

**The Village of Kimberly does not provide overflow garbage collection.** The automated system which uses a polycart is designed to collect the average norm from a residential unit. Residential units having weekly overflow or overflow from garage sales, large gatherings, house cleaning, moving in or out, etc. which is not the average norm are responsible for disposing of their overflow. This can be done by spreading your overflow garbage over a couple of week's collection, asking a neighbor if they have room in their polycart, or by hauling the overflow garbage to the landfill. In the case of rental properties, the property owner will ultimately be held responsible. It is the responsibility of the landlords to keep their tenants aware of the Village ordinances and requirements.

**LARGE BULKY NON-METAL COLLECTION:** Large item collection occurs on the resident's last garbage day of the month. Example: If you are a Tuesday pick up, your large item collection is the last Tuesday of the month. Large items consist of those (non-metal) items that are too large to fit in the polycart such as furniture, televisions, mattresses, carpet rolled and tied in 4' lengths not exceeding 50 lbs. Large items cannot lay in the street right of way for a long period of time. This is against Village of Kimberly ordinance and is subject to citation. The Village of Kimberly **does not** pick up building and/or landscape materials including wooden fence, railroad ties, wood chips, decorative rock, concrete, dirt, windows, siding, roofing and plaster.

**Please note: Occasionally due to employee training or equipment breakdown, it is possible that the garbage route may not get completed on the scheduled day. If this occurs please leave your polycart out and it will be emptied as soon as possible.**

**Non compliance of Village Ordinance 8-3-6(b) can result in a fine of \$75.25 for the first offence.**

**Recycling is GOOD, it WORKS and it is the LAW.**
