

PERMITS REQUIRED

*Projects that require a permit prior to commencement of work:

PROJECT:	FEE
Garages (over 144 square feet) site plan required*	\$20.00
Utility shed (under 144 square feet) site plan required*	\$15.00
Fence (site plan required*)	\$15.00
Pool (above ground)site plan required*	\$5.00
Pool (in ground)site plan required*	plumbing permit
Sign (lighted)	\$25.00
Sign	\$15.00
Siding replacement (see below)	\$10.00
Decks (under 400 square feet)site & building plan required*	\$10.00
Decks (over 400 square feet)site & building plan required*	\$20.00
Razing a structure	\$10.00
Moving a building	\$75.00
Residential remodeling	\$20.00 minimum, plus \$1.00 per \$1000.00 of project cost

*An adequate site plan should include the dimensions of your lot, all streets or alleys that abut the property, an arrow representing North, an approximate location of all buildings that exist on the lot and a location where the pool, deck, fence, shed, or garage is going to be placed. See example below.

When re-siding please contact the water department to remove the meter prior to removing the existing siding to avoid a \$25.00 tampering charge. They can be contacted at 788-7510.
