

2022-2026 Capital Roads, Sidewalk, Utilities Plan

| Year | Categories of Work | Project Location or Boundaries | Project Extent | Scope of Project |
|------------------|--|---|--|---|
| 2022 | Paving, Storm Sewer, Sidewalk | Emons Rd | Main St (east) to Pinecrest Bl (west) | In partnership with Town of Buchanan, rebuild and urbanize this road section. Concrete curb & gutter, asphalt paving, storm sewer, sidewalks. Local Program State Funding secured to assist funding this project. |
| | Pavement Improvements | Kennedy Ave. | Railroad St to Doerfler Dr. | Improve Rideability: Replace cracked pavement panels, install reinforcement dowels between panels, diamond grind road to eliminate vertical displacement between abutting panels. |
| | Paving, Storm Sewer, Sidewalk | Van Roy Rd | Railroad St to Village limit (west) | Rebuild and urbanize this road section. Concrete curb & gutter, storm sewer, sidewalks. |
| | Multi-Modal Trail | Kennedy Ave., Marcella St. | Railroad St. to Cobblestone Ln. | Phase 1: Install multi-modal trail along south side of Kennedy Ave. |
| | Water Main | Kimberly Ave. | Railroad St. to Washington St. | Replace water main, hydrants, valves, services, lead laterals |
| | Sidewalk | Principal Focus: Area bounded by Railroad Tracks, John St., County Hwy CE, Cobblestone Ln/Windmill Dr. Secondary Focus pending remaining budget: Area bounded by E. Kennedy Ave., Rundquist Way, Thelosen Dr, Village southern limit. | All streets in described area. | Sidewalk Rehabilitation - replace or grind identified sidewalk to eliminate tripping hazards. |
| | Storm Sewer | W. Fourth St | South side of street from Patrick St to Linda St | Install storm sewer laterals to properties on south side of Fourth St. |
| | Storm Sewer | Cedars East - Riverview Pond | In vicinity of former railroad tracks northeast of the end of Wilson St. | Construct Stormwater Quality and Retention Pond as part of the Lower Fox River Watershed Plan of Action. |
| 2023 | Intersection Improvements | Cty Hwy CE & Railroad St Intersection | Intersection of Cty Hwy CE & Railroad St, and intersection of Railroad St. and Van Roy Rd. | Improve intersection in accord to approved RCUT plans. |
| | Pavement Improvements | Kennedy Ave. | Doerfler Dr. to Schelfhout Ln. | Improve Rideability: Replace cracked pavement panels, install reinforcement dowels between panels, diamond grind road to eliminate vertical displacement between abutting panels. |
| | Pavement, Sidewalk, Sanitary Sewer & Private Laterals, Water Main, Storm Sewer | Sunset Dr | Welhouse Dr to Sunset Park Dr | Reconstruct Street, Sanitary Sewer & Private Laterals, Water Main & Private Laterals, Storm Sewer. |
| | Multi-Modal Trail | Kennedy Ave., Marcella St. | Phasing to be planned annually in continuing the trail to W. Kimberly Ave. | Install multi-modal trail along south side of Kennedy Ave |
| | Sanitary Sewer & Private Laterals, Storm Sewer, Paving | Alley between S Pine St and S Walnut St | Kimberly Ave to 2nd St | Improve sanitary sewer and private laterals, storm sewer, repave alley. |
| | Sidewalk | Principal Focus: Complete 2022 area if needed. Then focus on area bounded by S. Washington St., Railroad Tracks, Cortland Ct., Van Elzen Ln., Thelosen Dr. | All streets in described area. | Sidewalk Rehabilitation - replace or grind identified sidewalk to eliminate tripping hazards. |
| 2024 | Pavement, Sanitary Sewer, Water Main, Storm Sewer, Sidewalk | Welhouse Dr | Sunset Dr to Curtain Ave | Reconstruct Street, Sanitary Sewer & Private Laterals, Water Main & Private Laterals, Storm Sewer. |
| | Pavement Improvements | Kennedy Ave. | Schelfhout Ln. to Washington St. | Improve Rideability: Replace cracked pavement panels, install reinforcement dowels between panels, diamond grind road to eliminate vertical displacement between abutting panels. |
| | Multi-Modal Trail | Kennedy Ave., Marcella St. | Phasing to be planned annually in continuing the trail to W. Kimberly Ave. | Install multi-modal trail along south side of Kennedy Ave, west side of Marcella St. |
| | Storm Sewer | N Sidney St | Kimberly Ave to Papermill Run | Install mini-storm on both sides of street. |
| | Sidewalk | To Be Determined | All streets in described area. | Sidewalk Rehabilitation - replace identified sidewalk. |
| 2025 | Pavement, Sanitary Sewer, Water Main, Storm Sewer, Sidewalk | Schindler Dr | Sunset Dr to Fulcer Ave | Reconstruct Street, Sanitary Sewer & Private Laterals, Water Main & Private Laterals, Storm Sewer. |
| | Pavement Improvements | Kennedy Ave. | Railroad St. to Marcella St. to Railroad Tracks | Improve pavement: Reinforce and/or replace as identified pending pavement conditions. |
| | Multi-Modal Trail | Kennedy Ave., Marcella St. | Phasing to be planned annually in continuing the trail to W. Kimberly Ave. | Install multi-modal trail along south side of Kennedy Ave, west side of Marcella St. |
| | Sidewalk | To Be Determined | All streets in described area. | Sidewalk Rehabilitation - replace identified sidewalk. |
| 2026 | Pavement, Sanitary Sewer, Water Main, Storm Sewer, Sidewalk | Paul Dr | Sunset Dr to Curtain Ave | Reconstruct Street, Sanitary Sewer & Private Laterals, Water Main & Private Laterals, Storm Sewer. |
| | Pavement Improvements | Kennedy Ave. | Railroad St. to Marcella St. to Railroad Tracks | Improve pavement: Reinforce and/or replace as identified pending pavement conditions. |
| | Multi-Modal Trail | Kennedy Ave., Marcella St. | Phasing to be planned annually in continuing the trail to W. Kimberly Ave. | Install multi-modal trail along south side of Kennedy Ave, west side of Marcella St. |
| | Water Main: Phased over several years. | E. Third St. | Washington St. to S. John St. Phasing extents to be determined. | Replace water main, hydrants, valves, services, lead laterals |
| | Sidewalk | To Be Determined | All streets in described area. | Sidewalk Rehabilitation - replace identified sidewalk. |
| 2027 and forward | Pavement, Sanitary Sewer, Water Main, Storm Sewer, Sidewalk | Fulcer St., Curtain Ave., N. Roger St. | To be determined | Reconstruct Street, Sanitary Sewer & Private Laterals, Water Main & Private Laterals, Storm Sewer. |
