The Village of Kimberly Newsletter

Spring 2022

President's Point of View

Springtime Edition . . .hmmm . . . Doesn't feel that way

Hello everyone. As I write this "spring" edition article in the chill of January and understand that this will reach you mid-February, my brain has a difficult time discussing things "spring" while my toes remain chilled; but I will give it a shot! I am hopeful that many of you have given our ice rink a try and if not, I am sure you will have an opportunity to do so before it melts away. Thank you Holly Femal, Matt Wyngaard, Shaun Brill and a host of others from the street crew who created a recreation space with the most robust ice skating rink the village has ever had. Located on the north end of Treaty Park, this offering of recreation is one that I remain hopeful is around for many years and gets lots of use! (Editors note: After five successful laps, my skates found a soft spot and the first official digger for me was 1/22/22 at 11:12 a.m.!)

As the rink melts and the grasses green, the village will be active in many ways this spring. Work will begin to extend a connecting trail along Kennedy Ave between Railroad Street and Cobblestone Lane and will begin the process of connecting the trail throughout the business park. Mini-storm work will progress as we continue to work at reducing clear water inflow to the sewer system. Street maintenance will smooth out the bumps throughout the village and the team will continue to tackle the removal and replacement of Ash trees as we methodically eradicate the borer and its damage. Parks will spring to life and there will be a buzz of activity. The Storybook Garden at the library will be prepped for its inaugural planting and the amphitheater will be spruced up and ready for the concert series and community band performances. The yard waste site will be available (for a mere \$5 sticker) to accommodate the springing up activities in your yards and gardens. Youngsters will be breaking out the balls, bats and gloves in anticipation of a springtime ballgame. Magical when we watch transformation from winter to spring!

The village is working on a plan to assist in getting lead water services upgraded and has applied for a grant to ease the financial burden. Once we learn the status of the grant we will be sure to communicate a strategic plan to

accomplish the goal of upgrading lead water service and reveal a plan to get the work accomplished.

Spring elections will be here before we know it. We encourage everyone to cast their ballot and to appreciate the people manning the polls. Long days for these dedicated folks who take the security of each and every vote seriously and work with diligence and professionalism in operating election days. We are grateful to them and to our staff, this spring being led by our new Clerk/Treasurer, Jennifer Weyenberg. Welcome to the team Jennifer!

By now I am sure everyone has become accustomed to their garbage pickup day. I was asked a couple of times why we changed. It is simply a matter of horsepower. After more than a decade of sharing garbage trucks with Little Chute, their growth and ours made the logistics more cumbersome and demand on the equipment increased. After careful analysis and discussion with our municipal partners, we determined our best course was to dissolve this specific equipment sharing which meant we needed to create a third pick up day. Thanks for adapting to this change which made economic sense while needing only a slight change. It may be of interest to know that we continue to share equipment with not just Little Chute, but Combined Locks and Kaukauna as well. The cooperating efforts between the "quad communities" is one that leaves no department in limbo when something breaks down and the cooperative efforts demonstrate the close relationships we share and treasure with our neighboring communities.

As I now submit this edition, the mercury is forecast to fall to minus 13, I have five days until I fly to Florida to visit one of our sons and the oldest of seven grandkids and while I look forward to spring, a respite in the sunshine of Florida sounds mighty inviting. After a week away we always look forward to returning to the village knowing that home is truly the greatest place to live, learn, work and play!

Be kind & be well,
Chuck Kuen, Village President

All Village Offices & Departments will be closed on Friday, April 15th

STREET DEPARTMENT

Snow Removal

- Village ordinance 430-10 states that it is unlawful to shovel, blow, or plow snow onto or across Village streets or alleys. Citations will be issued to habitual offenders.
- Salt barrels placed at specific intersections are to be used for emergency use only. These salt barrels are not provided for residents for their own application. Salt for sidewalks and driveways should be purchased at local retail outlets.
- Corner lot owners are asked to keep a path open through the crosswalks, the Village crew will clear the remainder of snow as time permits.
- Anyone with a fire hydrant near his or her property is asked to help keep the snow cleared from around it. This will allow for quick response time if ever the fire department needs to access the hydrant.
- Snow must be cleared and kept cleared within 24 hours after the snow ceases to accumulate on the sidewalk, this includes drifting snow. If ice builds up, it must be removed or treated with a melting agent. It is Village policy to address unshoveled sidewalks only when a complaint has been filed. Village officials do not go out looking for sidewalks that need shoveling. No written or verbal notice will be given to violators per ordinance 430-10.

Free Spring Tire Pick Up

Wednesday, April 20th - Entire Village

This free tire pick up has been authorized by Outagamie County and the Village will not pick up tires at any other time. There is a limit of 4 tires per household, rims are acceptable, and tires cannot be larger than 18" passenger vehicle tires. (No business generated tires)

Spring Yard Waste Clean Up

Curbside yard waste will be picked up on May 9th, for residents north of tracks and May 16th for residents south of tracks. Garden debris, flowers, lawn edgings, and shrub trimmings (not to exceed 18") in length will be picked up. Material **MUST BE PLACED IN BROWN PAPER LAWN AND YARD WASTE BAGS** and not to exceed 50 lbs. Yard waste stickers are **NOT** required during the spring yard waste clean up. *No Grass Clippings to include thatching from your lawn!*

Branches longer than 18" require a special pickup on Thursdays. Residents must call 788-7507 or email streets@vokimberly.org prior to 3:00 PM on Wednesday to schedule a Thursday brush pickup.

Extra Large Non-Metal Pick-up in May!

An additional date has been added for
Large Non-metal Items in May

**Monday, May 9th and Monday
May 23rd for residents North of the tracks.**

**Wednesday, May 11th and Wednesday,
May 25th for residents South of the tracks.**

Kimberly Water Dept. Customers 2022 Semi Annual Hydrant Flushing

The Kimberly Water Department will be cleaning and flushing water mains from 7:00 am to 3:00 pm beginning **April 18th – 21st and April 25th – April 28th**. The flushing will remove most of the natural minerals that have settled in the mains such as iron, a harmless-reddish brown mineral that does discolor the water.

If you observe Water Utility Personnel working in your area, refrain from using water or use as little as possible for 45 minutes to ensure that the water has settled in the mains. This will also help prevent any iron from being drawn into your water piping system.

If you do find that your water has become discolored, refrain from using it for an additional 30 minutes. Then draw off the remaining discolored water through the **COLD WATER FAUCET ONLY**.

Your cooperation during this flushing procedure will benefit all water customers.

Thank you for your help, Kimberly Water Department

Employee Anniversary

Congratulations to Jerry VerVoort for celebrating
30 Years with the Street Department in January.

Curbside Refuse & Recycling Cart Placement

Placing refuse and recycling carts for curbside collection on the same day can present difficulties due to limited space at the end of driveways or accumulated plowed snow along the street terrace. There are three primary goals when placing the carts for curbside collection:

1. Place the carts on a firm and level surface to prevent the carts from tipping over and spilling trash. During winter months, this may require shoveling a level area in the snow in your terrace.
2. Place the carts far enough from other carts and obstructions, such as cars and trees, so the automated arm is able to grab each cart. The general rule is to provide 4 feet between carts and other objects.
3. Place the carts so they are not obstructed by overhead tree branches or other obstructions to avoid damaging the carts during the dumping process. The carts reach a height of 13 feet when being dumped into the refuse truck.

Carts properly spaced 4 feet apart on firm, level surface.

Placed too close together.

Placed too close together, not on firm, level surface.

Household Hazardous Waste

Cleaning out the garage and keeping our waters clean

We all have the opportunity - and the responsibility - to dispose of waste materials properly. The rule of thumb is: If you wouldn't dump it in the river, don't let it touch parking lots, soil, or any other place where it can be washed into a stream or storm drain. This will help us change one habit at a time, so we have good fishing, swimming, paddling and waterskiing when the work is done.

Harmful Substances

Certain household chemicals, when not used up properly, become household hazardous waste. These products can contain the same chemicals as strictly regulated industrial wastes. These products include: cleaning products and wash water, food oils and grease, automotive oil, grease and waste fluids, paint, petroleum-based solvents, rodent baits, batteries, herbicides, pesticides, concrete wash water and sidewalk salt.

Handle With Care

To avoid the potential risks associated with household wastes, always monitor the use, storage and disposal of products with potentially hazardous substances.

Proper Disposal

All of the counties in Northeast Wisconsin have Household Hazardous Waste drop off programs or collection days. Contact your local environmental, health or solid waste agency for instructions on proper use and disposal.

Using Less

The quantity of waste from a single household may be small, but that quantity adds up fast considering the number of households in Northeast Wisconsin. Consider reducing your purchase of products that contain hazardous ingredients.

2022 Proposed Projects

STREET PROJECT -

Emons Rd. from CTH N to Pinecrest Blvd.

In partnership with the Town of Buchanan, rebuild and urbanize road section to include concrete curb & gutter, asphalt paving, storm sewer, and sidewalks.

STREET PROJECT -

Van Roy Rd. – Railroad St. west to Village limits

Rebuild and urbanize road section to include concrete curb & gutter, asphalt paving, storm sewer and sidewalks.

SIDEWALKS -

Area bounded by railroad tracks, S John St., County Hwy CE, Cobblestone Ln/Windmill Dr
Sidewalk rehabilitation – replace or grind identified sidewalks to eliminate trip hazards.

WATER PROJECT -

Kimberly Ave – Railroad St. to Washington St.

Replace water main, hydrants, valves, services, lead laterals.

News from the Kimberly Historical Committee

Your Kimberly Historical Committee is working to update the display cases at the Municipal Center. Our display will spotlight four local WWII veteran families. When Oscar Kokke, Tony Van Hout, James (Chub) Williams, and the Gaffney brothers finished their military service, they came home and were employed at the Kimberly mill. There is a lot of history to share, and we are excited to be working on this project. Be sure to stop in and check it out. Watch for more information about our July 4th event at the historical mill clubhouse in the next edition of the Kim Talk.

We are not makers of history.

We are made by history. ~Martin Luther King, Jr.

Employee Retirements

Congratulations to Barbara Rein who upon retirement, served her community for 32 years and Janine Micke with 13 years of service to the Village of Kimberly. Happy Retirement and Best Wishes to you both.

JAMES J. SIEBERS LIBRARY NEWS

515 W. Kimberly Ave. • Phone: 788-7515 • www.kimberlypubliclibrary.org

HOURS: Monday - Friday 9-6 and Saturdays 9-1 • Sun Closed

A note from the Library Director:

After more than a year in the making, I hope you'll join in our excitement as we announce Friends of the Kimberly Library is LIVE and officially registered as a 501(C)(3) nonprofit!

For the Kimberly Public Library, this great news means so much! It means the library can turn to an organized group of:

1. Friendly supporters, goodwill ambassadors, who advocate for the many wonderful programs and services the library offers;
2. Friendly fund-raisers, volunteers willing to put in the time and effort to organize fabulous community-centered events that result in generating funds to supplement the library's budget and provide new opportunities for library users and Kimberly area residents; and
3. Friendly volunteers to assist with library programs, fundraising events, and many other tasks that helps to provide paid library staff time to investigate, plan and implement new service options.

For Kimberly Public Library patrons and Village of Kimberly residents, the opportunity to become a member of Friends of the Kimberly Library empowers you to be part of the action that has the potential to steer library services in new directions in addition to supporting the continuous improvement of the library's current program of services.

Joining Friends of the Library is easy! Scan QR code with your phone or visit the library to pick up an application form.

Annual membership dues: (\$10 Individual; \$20 Family; \$150 Lifetime; or \$100 Corporate) support the work of Friends of the Kimberly Library, which in turn, supports the Kimberly Public Library.

Here's a Sneak Peak of Upcoming Spring Programs.

Monty's Magic Theater Presents a Magic Show for all ages – Tuesday, February 22nd @ 6 p.m. in the Evergreen Room of the Village of Kimberly Municipal Center Civic Wing

Spring Eggs-travaganza - The library is hatching chicks! View the incubator starting March 9th and watch the eggs hatch around March 30th. The chicks will stay at the library two weeks after hatching, so come check out the fluffy little peepers.

Spring Stories and Crafts: Wednesdays, April 6th, 13th & 20th at 10 a.m. Celebrate the return of spring with stories and a related craft.

Additional Ongoing Programs Available:

Community Conversations – Multiple opportunities will be available this spring for community members to learn more about the library and to engage in conversations that will shape the library's direction moving forward in the next few years. Dates and times to be determined.

Master Gardener Presents – Learn from presenters co-sponsored by the Outagamie County Master Gardener's Association via Zoom every 4th Monday at 7 p.m. through June. Some programs require registration.

Baby Story Time - Mondays 10-10:30 a.m. beginning in February. Enjoy rollicking rhymes, merry music, and sweet stories with your little one during this gentle story time for babies up to 24 months and their parent/caregiver. Older sibling helpers may attend. Toys will be available after story time for those who wish to stay and play.

Tween Tuesdays - Hang out with other tweens and have fun with a variety of activities, including Legos, art, games and more - a different offering each week during this afterschool event 3:30-4:30 p.m. Tuesday in February and March. For grades 4-8.

Family Story Time - Wednesdays 10-10:30 a.m. beginning in February. Enjoy classic and newer picture books plus music and learning games during this fun story time geared for preschoolers and their parent/caregiver.

Chapter Chat – A book club for 5th and 6th graders Pick up a copy of the book at the front desk then join us on the second Tuesday 4-5 p.m. for a snack, a chat, and a book-related activity.

How can I find out more? Please register to receive the weekly electronic newsletter of the Kimberly Public Library to receive regular updates. Follow the Kimberly Public Library on Facebook and Instagram (#kimberlypubliclibrary) or visit our website: www.kimberlypubliclibrary.org.

FIRE DEPARTMENT

Ice Safety

Please remember the ice on our retention ponds and the river are never safe due to currents from run off. Please stay off the ice on the ponds and the river. Also be aware of strong river currents in spring when you are itching to get your kayaks and canoes out on a nice spring day. Many of the dams are open in spring which result in very strong currents. This can be very dangerous for even experienced paddlers and boaters.

FIREFIGHTERS for FIREWORKS

The annual cornhole tournament is planned for March 19th at Tanners. This is a very fun event and our major fundraiser each year. We would love to have you join us! Registration starts at 1:30 p.m. and matches start at 3 p.m. The cost is \$40.00 per team.

Spring Pond Burns

We plan to do prescribed burns around Emons Acres and Sunset Park ponds again this spring. We will be doing it when the weather permits and hopefully complete them by April 20th.

Spring Yard Waste

Please do not burn yard waste when you clean up your yard this spring. This is a violation of Village Open Burning Ordinance 270-8. Please purchase an annual sticker and use the yard waste drop off site.

Fill the Boot Campaign Update

We did a head-to-head comparison from 4 different rescue tool companies and our tools are on order with an expected delivery in the March timeframe. Thank you to all the participating businesses and people who helped us meet our goal!

DOG LICENSES

In accordance with State Statutes and Village Ordinance, dogs must be licensed annually, and must be done so within 30 days of residency in the Village. 2022 dog licenses are now available at the Village Complex. There is a mail-in application below for your convenience. When applying for a dog license, owners must present the current rabies vaccination certificate. Every dog 5 months or older must have a current Rabies shot. Neutered and Spayed Licenses are \$7.00, intact Dog Licenses are \$12.00. Failure to license your dog may result in a \$124.00 citation per dog, issued by FVMPD. If you no longer have your dog, please contact the office so we may update our records.

Licensed dogs have an opportunity to participate in Bark at the Beach and Pooch Patrol. Please call the Park and Recreation Department at (920) 788-7507 for more information.

MAIL IN APPLICATION FOR DOG LICENSE

Owner's Name: _____ Phone: _____

Address: _____

Dog's Name: _____ Breed: _____

Color: _____ Circle one: Male/Female Neutered/Spayed/Intact

Neutered/Spayed Dog: \$7.00 • Intact Dog: \$12.00 • Include a \$5.00 late fee if applying after March 31st

Complete application and mail to: **Village of Kimberly, 515 W Kimberly Ave, Kimberly, WI 54136** or deposit in **Payment Drop Box** located by the west entrance doors. **Include: Check or Money Order** made out to the Village of Kimberly, Current **Rabies Certificate**, **Must** enclose a self-addressed stamped envelope, license and paperwork will be mailed back to you.

Only one dog per form, make additional copies if needed. If you have any questions, please call 788-7500.

**SCAN ME
TO APPLY!**

Yoga Flow

All levels yoga flow class that will include breath work, core strengthening, balance, and a super fun flow. Vinyasa (flow) will be taught with lots of cues/modifications and will be accessible to all levels. The instructor, Leslie Lehman, has over 700 hours of yoga certification and thousands of hours of instruction. Bring a mat, water, and towel. Advanced registration is required. Program fee is \$65 for 10 classes. Classes held Mondays 5:30-6:30 pm in the Municipal Complex Evergreen Room from 2/28/22 - 5/9/22 with no class held on 3/28/22.

ShamRocked 18+ Painting Event

Join us for an 18+ St. Patty's themed Paint and Sip Class! In this course, each participant will be provided the materials and instruction to paint a 16x20 canvas of a Leprechaun or Spring themed gnome, a drink flight of your choosing, as well as chocolate samples provided by Cheryl's Chocolates and Confections! Non-alcoholic options will be provided for those under 21. This class will be held in the Evergreen Room at the Municipal Complex on Friday, March 18th from 6-8:00 pm. Participants are required to bring a valid ID to the event.

Babysitting Certification Class

Are you interested in earning money by becoming a certified babysitter? Do your parents want you to feel more confident watching younger siblings? Want something fun to do during a day off from school? If so, this is the class for you! After completion of this course you will: Learn first aid, CPR/AED, and what to do if someone is choking. Earn babysitting certification, gain confidence needed to be an awesome babysitter and have fun and meet new people on your day off from school! This class will be held in the Evergreen Room at the Municipal Complex on Monday April 18th from 8 am to 4 pm. Cost is \$65.00. Please have your child bring bag lunch.

GG League

We continue to offer a partnership in a Wisconsin e-sports recreation league, offering Madden, Fortnite, Mario Kart, Rocket League, and Super Smash Bros for ages 8+ Pre-registration is required.

Community Fitness Challenge

Cities and towns across Wisconsin are once again hosting the Community Fitness Challenge! The "Be Active Wisconsin" Community Challenge invites all community members to participate in a virtual challenge to promote active lifestyles, connect people to the outdoors by encouraging use of our parks/trail systems, and engage Wisconsin communities in a friendly competition! From March 1-31, a variety of active minutes count (not just running/walking), so let's get moving Kimberly! The winning community will receive a trophy, and all participants receive a T-shirt. (It's the same shirt for every participating community – how cool is that?) While there is a personal goal of 200 minutes a week to help motivate and to give you a goal to strive for, there are no requirements and no awards given for personal goals so that you can customize it based on your needs.

All participants will have access to a Google Form where you will enter your minutes for each week by Tuesday morning at 10am. The link to the form will be emailed to all registered participants on March 1. The numbers for each community will be sent out to all community representatives on Mondays so we can encourage our Kimberly community to keep moving!

**Register for all
programs online!**

<https://kimberly.recdesk.com/community/home>

WE WANT YOU!

If you love live music on a summer's night, perhaps the Amphitheater Board is just the group for you! The Sunday at the Amphitheater board of directors is actively recruiting additional members to join the board.

Interested parties are encouraged to email hfmale@vokimberly.com for more information and for consideration by the board of directors.

**Kimberly
Community Band
Spring Concert
will be held on
Sunday, April 3rd
at 2 p.m. at
JR Gerrits
Middle School**

COMMUNITY DEVELOPMENT CORNER

WELCOME 2022

Progress continues throughout the riverfront, avenues and industrial parks for the Village of Kimberly. Village staff and Board have been working meticulously throughout 2021 to bring new opportunities to residents and visitors of the Village of Kimberly. Collaboration with Outagamie County and the State of Wisconsin occurred during 2021, in an effort to offer relief and expansion opportunities to commercial and professional properties that may have been impacted by the COVID-19 pandemic.

Outagamie County's implementation of the American Rescue Plan can be found online at <https://www.outagamie.org/government/outagamie-county-s-implementation-of-the-american-rescue-plan>. Here opportunities for small businesses and nonprofit grant programs were awarded as well as the publication of the Outagamie County Rescue Plan – Community Outreach Summary Report.

The Wisconsin Economic Development Corporation also offered opportunities in 2021 that continue into 2022 for the workforce and economic growth. One highlight, the Main Street Bounceback Grant. This grant program is designed to provide financial support to businesses that move into existing vacant commercial properties, helping to create a foundation for long-term success for themselves and their communities. The program provides \$10,000 to new or existing businesses and non-profit organizations moving into vacant properties in Wisconsin's downtowns and commercial corridors. For more information please contact WEDC at <https://wedc.org/programs-and-resources/mainstreet-bounceback-grants/> or Administrator/Community Development Director Danielle Block. The Village of Kimberly is proud to support businesses that have already taken advantage of this program and will continue to assist those businesses looking to apply.

Village staff is focused on bringing new expansions, developments and connections to our area in 2022. Priorities include the redevelopment of the east side of the former papermill, Phase 2 construction of the Historic Cedars Overlook along the Fox River, continued business expansions within the Industrial Park, a focus on the redevelopment and welcoming corridors of Kimberly

Avenue and Maes Avenue, and the important multi-modal connections along Kennedy Avenue. Progress will be made in each of these areas in 2022 and will likely continue for years to come.

If you have questions regarding any of these initiatives, you are invited to contact Administrator/Community Development Director Danielle Block or attend a joint public meeting of the Kimberly Economic Development Organization and the Kimberly Community Development Authority. Together we will bring to reality development concepts and reinvestment strategies that are most important to you!

One (1) three-year term to expire May 2025

PLAN COMMISSION –

Three (3) three-year terms to expire May 2025

TREE BOARD –

One (1) three-year term to expire May 2025

Applications are available at the Village Clerk's office or you may submit your name, along with your reasons for interest to the Village Clerk, 515 W. Kimberly Avenue.

Applications will be accepted through March 25, 2022.

To learn more about these boards and commissions and what is all involved, please see the village website or our Facebook page.

**2022
Spring
Election -
April 5, 2022**

The spring election will be held Tuesday, April 5, 2022. Offices to be elected include Circuit Court Judge, School Board, County Supervisor, Village Trustee and Village President. Voters can view a full listing of races and candidates at myvote.wi.gov. There is no February Primary election scheduled for the Village of Kimberly.

ABSENTEE VOTING

If you are unable to get to your polling place on Election Day, you can vote by Absentee Ballot (mail or in-person).

ABSENTEE VOTING BY MAIL:

Applications can be completed online at myvote.wi.gov. Applications may also be requested by emailing jweyenberg@vokimberly.org, calling 788-7500, or stopping in the Clerk's office. A copy of your photo ID must be included with your application for a ballot unless it is already on file. Voters may request to vote by mail for a specific election or all elections within the current calendar year. Indefinitely Confined voters (confined because of age, illness, infirmity or disability) may request absentee ballots be mailed to them indefinitely.

ABSENTEE VOTING IN-PERSON:

Office hours for absentee voting will be 8:00 a.m. - 4:00 p.m. March 22nd-April 1st with extended hours to 5:00pm on March 31st and April 1st. There is no absentee voting hours on the weekends or the Monday before the election.

VOTER REGISTRATION

If you are a new voter, have moved, or changed your name you must register to vote. Village of Kimberly residents may register to vote in the Clerk's office before 5:00 p.m. the Friday before Election Day or by mail 20 days prior to Election Day.

On Election Day, residents may register to vote at the polling place. Be sure to provide proper proof of residence. Polling places are open on Election Day from 7:00 a.m.- 8:00 p.m.
